15 July 1949

The Honorable Paul H. Douglas
United States Senate
Washington 25, D. C.

Dear Senator Douglas:

Your letter of July 14, 1949 was addressed to me probably because of the confusion between the Army CIC (Counterintelligence Corps) and the CIA (Central Intelligence Agency). The CIA does no screening of displaced persons, but that function is performed by the Army CIC. Therefore, I have forwarded your letter and enclosures to Major General S. LeRoy Irwin, USA, Director of Intelligence, General Staff, U. S. Army, with a request that he reply to you directly.

With best wishes, believe me,

Sincerely,

Signed & dispatched 7/15/49
